NAVAL INTELLIGENCE COMMAND

COMMAND HISTORY

CY 1981

SUMMARY OF OPERATIONS

-
- 29 JAN 81: (U) The reconfiguration of the SEAWATCH room was completed, which makes room for the installation of the TASS and TIP processors.
-
- 20 FEB 81: I A list was prepared to provide the FLTCINCs with 1981 Collection Priorities and significant information gaps in various categories of operational and technical intelligence. These requirements, derived from NFOIO, NISC, and NFOIO Det Suitland inputs, are being provided for information and collection planning purposes, and are limited to requirements which logically can be collected by fleet assets.
- 27 FEB 81: (U) Commenced consolidation of Naval Intelligence training now conducted at FITCLANT, Norfolk, VA; AFAITC, Lowry AFB, Denver, CO; NIPSTRAFAC, Key West, FL; and LFTCLANT, Little Creek, VA to be established at the new Navy/Marine Corps Intelligence Training Center (N/MITC), Dam Neck, VA and ready for training during FY86.

- FEB 81: (U) Granted authority for Fleet CINCs and CNM (MAT-09I) to establish Gamma Sub-custodians at their respective subordinate commands (less contractors).
- FEB 81: (U) Established a Gamma Control Center (GCC) at the Headquarters, U.S. Coast Guard, Washington, D.C..
- 6 MAR 81: (U) The Secretary of the Navy approved a Meritorious Unit Commendation award for the Atlantic Forward Area Support Team (LANTFAST/CTG 168.2) for the period 1 January 1979 through 31 May 1980. LANTFAST moved into the renovated firehouse on the CINCLANT compound. This location provides LANTFAST, for the first time, sufficient space for offices, analysis laboratories, and equipment maintenance/repair benches.
- 11 MAR 81: (U) A special program for an Actions Data base was completed for NIC-OOH.
- 13 MAR 81: (U) Commander, Naval Intelligence Command hosted the Intelligence Training Scheduling Conference at Fleet Intelligence Training Center, Atlantic, Norfolk, Va. Summary report of conference included as annex 9.
- 15 MAR 81: (U) The COINS TASS system, a PDP 11/70 was installed in the SEAWATCH computer room.
- 30 MAR 81: (U) As approved by the Deputy COMNAVINTCOM on 30 Mar 1981, a new Collection Operations Division (TF 168H) was established. Formerly the Collection Operations Branch (TF 168CO) of the Collection Management Division, the new division was created because of the increasing importance and visibility of its overt human intelligence responsibilities, its recent and near-term projected growth, and management considerations. The new Division Director is Mr. Robert R. Hart.
-
- 8 APR 81: (U) Issued NAVINTCOMINST 5354.1 to establish a combined NAVINTCOM Human Relations Council and Equal Employment Opportunity Committee.
- 8 APR 81: (U) The ACS C-system was transferred from ODSI in Gaithersburg to NIC-2.
- 14 APR 81: (U) CTG 168.6 completed its relocation from Balboa, Panama to Rodman Naval Station, Panama. This move was accomplished to improve office security and to consolidate billeting, messing, offices and collection platform locations at Rodman.

- 15 APR 81: (U) CDR Stephen Argubright reported on board as the senior military officer in TF 168 Collection Operations Division (TF 168)
- 16 APR 81: (U) DP1 Coutu was selected as NIPSSA's Sailor of the Year and was awarded the Navy Achievement Medal at NIC Headquarters.
- 22 APR 81: (U) The Security Management System, the first of the IDMS Systems was completed and turned over to NIC-44.

-
- 13 MAY 81: (U) A program was completed to extract specified data from the Air and Seaplane Stations of the World (ASSOTW) for NISC-61.
- 16 MAY 81: (U) Relocated Intelligence Analysis Division, Navy Field Operational Intelligence Office, from Friendship Annex, Baltimore-Washington Airport, to NIC-2 Building, Suitland Federal Center, Suitland, MD. This was the last major relocation incident to the COMNAVINTCOM consolidation plan, completing the consolidation begun in 1978.
- 29 MAY 81: (U) Recommended to U.S. Justice Department through CNO-OP-09B1 that Foreign Nationals, attorneys, or U.S. citizens representing Foreign National requests under FOIA be denied. Similar recommendation would apply to U.S. citizens who are fugitives from justice.

12 JUN 81: (U) Met with NJAG to determine release for Congressional request for classified investigative report of the 1969 EC 121 incident.

JUN 81: (U) CLIPPER TROOP Program Manual revised and promulgated. This was a major revision that coordinated the management and resources affecting the CLIPPER TROOP Program.

JUN 81: (U) Deputy Secretary of Defense memorandum subject: "Degradation of Operational Readiness/Mission Accomplishment Due to Personnel Security Investigative Shortfalls", dated June 1981, established a moratorium on all Special Background Investigation Periodic Reinvestigations (SBI-PR's). ALNAVSSO 15-B1 provided procedural guidance to Navy SSO's to compensate for the resultant lack of investigative coverage for individuals requiring access to SCI.

1 JUL 81: (U) The IAIPS PMO assumed responsibilities as the Contracting Officers Technical Representative.

10 JUL 81: (U) All NIC/NIPSSA/NISC differences of opinion with the Naval Audit Service were resolved and an official NAVINTCOM response was forwarded.

10 JUL 81: (U) CDR Knute Schmidt, USN relieved CDR Kenneth Leon, USN as Collection Guidance and Requirements Division Director.

15 JUL 81: (U) The Document Distribution Control System (DDCS) was restructured for NIC-312.

15 JUL 81: (U) Second deck, Center Wing, NIC-1, assigned to COMNAVINTCOM for occupancy by Washington Headquarters Services. This wing, previously scheduled for demolition, was retained by conducting a structural analysis which revealed that it was sound and occupiable.

- 28 JUL 81: (U) The NAVINTCOM Affirmative Action Program Plan FY81 was developed and submitted to the Chief of Naval Operations, OP-14C for review and approval in accordance with MD-707 and SECNAVINST 12713.12.
- 30 JUL 81: (U) CAPT Richard J. Wilson, USN was relieved by CDR F. Scott Wilkins, USN as Director, Collection Management Division.
- JUL 81: (U) Nominated Captain Chauncey F. Hoffman, CO, NISC for the Department of Defense Award for Advancing the Employment of Blacks in Government.
-
- JUL 81: (U) Completed the inspection and reaccreditation of all relocated NISC and NFOIO elements to the Suitland Federal Center.
